WHAT OUR CONSULTANTS ARE SAYING

“ I am continuously impressed by the outreach opportunities we receive with our muniSERV membership, the response we receive to our webinars and the quality of the audience it attracts. Susan has been wonderful to work with and it has been a well- timed and beneficial partnership for us at Emergenetics Ontario. It is one we hope to maintain and build on well into the future. ”

Gail Green, President - Emergenetics – Ontario

“ I registered in both the CAO and Consultant’s platforms on muniSERV.ca and shortly afterwards, I was connected with a municipality looking for interim CAO assistance. If you’re looking for work as a CAO, muniSERV is the platform that worked for me. ”

Roy Hardy, ICMA-CM

“ What is the point of having a lot of connections if you don’t help people to connect? Susan Shannon and her company muniSERV are very passionate about helping others. She is always looking to help. If you are a consultant and looking to expand your market, then I would suggest that a great place to start would be with muniSERV. You won’t be disappointed with their high level of customer service. ”

Gerald (Jerry) Ford, Director of Supplier Development and National Programs at Kinetic GPO
