

Spotlight on the DEI Journey

Many business leaders are grappling with where to start their Diversity, Equity & Inclusion Journey - there's work to be done!

Organizations like the Mennonite Economic Development Associates (MEDA) have learned that transformative change starts from the inside, out.

- **What does change look like** in a time when so many organizations continue to face capacity issues?
- What role does your Board of Directors need to play to **wake and shake up the sleeping giant**?
- What are some of the **courageous steps** that you'll need to take to **lead the journey through uncharted territory**?

Join us for *Spotlight on the DEI Journey* with Dr. Dorothy Nyambi, where we'll uncover answers to these and other questions.
